Title or Type of Document: _____

Document Date: _____ Number of Pages: _____

Signer(s) Other Than Named Above: _____

Pennsylvania Witnessing or Attesting a Signature

The witnessing or attesting a signature certificate is used to determine that the signature appearing on a document is that of the person appearing before the Notary and named in the document. Witnessing a signature may be used in circumstances where the date of the signing is of crucial importance.

The optional section at the bottom can deter alteration of the document or fraudulent reattachment of this form to an unintended document. The insertions in this section are not required by law. Failure to fill out this section will not affect the validity of the certificate.

Instructions:

- 1 NAME OF COUNTY** where Notary performs notarization.
- 2 DATE OF NOTARIZATION.** Actual day, month and year in which signer appears before Notary.
- 3 NAME(S) OF SIGNER(S)** appearing before Notary. Initials and spelling of name(s) should agree with name(s) signed on document and ID card(s). Line through any remaining space.
- 4 SIGNATURE OF NOTARIAL OFFICER,** exactly as name appears on commissioning papers and in seal.
- 5 PRINTED NAME OF NOTARIAL OFFICER.** If the Notarial Officer's signature is illegible, the Notarial Officer must print their name below their signature.
- 6 TITLE OF OFFICE,** of person notarizing document. In the case of a Notary, "Notary Public" would be the title.
- 7 NOTARY'S COMMISSION EXPIRATION DATE,** exactly as it appears on commissioning papers and in seal.
- 8 OFFICIAL STAMP/NOTARY SEAL IMPRINT** clearly and legibly affixed. Be sure to affix your seal so it does not protrude into certificate margin.

PENNSYLVANIA WITNESSING OR ATTESTING A SIGNATURE

SPACES 9–12 ARE OPTIONAL. Omission of information here will not affect the document's validity. However, completing these spaces can deter alteration of the document or fraudulent reattachment of this form to an unintended document.

- 9 TITLE OR TYPE OF DOCUMENT** notarized, such as "Deed of Trust."
- 10 DATE OF DOCUMENT** notarized. Most but not all documents will have a date, usually at the top or following the signature. If none, insert "No Date."
- 11 NUMBER OF PAGES** in the notarized document. This may point out fraudulent addition or removal of pages. Do not count the certificate as a page. However, the certificate will be regarded as a page by recording officials in assessing recording fees.
- 12 SIGNER(S) OTHER THAN NAMED IN SPACE 3.** Since all signers might not be named on the same notarial certificate, insert name(s) of signer(s) here that appear(s) or will appear on other certificates — as many as space allows. If none, insert "No Other Signers."
